

# BEEFY'S CHARITY FOUNDATION GOLF DAYS 2021

Join Lord "Beefy" Botham and play a round of golf with friends while supporting Beefy's Charity Foundation.

We will be hosting two golf days in 2021, one in the north of England at Rockliffe Hall. Designed by Hawtree, the world-renowned course architects, this spectacular 18 hole championship golf course is one of the most challenging in Europe. The other in the south of England at Moor Park. The High Golf Course at Moor Park, ranked in the 'Top 100' Golf Courses in England.

Enjoy the challenges that only a golf course can bring you then relax during dinner and enjoy the entertainment.

Our two English golf days are a part of a series of events Beefy's Charity Foundation are involved with to celebrate the 40th Anniversary of the 1981 Ashes series and in honour of Bob Willis, Beefy's Charity Foundation will be supporting Prostate Cancer UK alongside our other Charities.

Beefy's Charity Foundation is a registered charity in England and Wales 11515165.
